IMS POLICY

Doc No. : EAM-IMS-POL-01
Issue : 7
Rev. : 01
Date : 01.02.2026

We at **Eastern Asphalt and Mixed Concrete Co. W.L.L.** are committed to achieving and continually improving our Integrated Management System and enhancing the QHSE performance in all our business operations, namely;

- Eastern Asphalt and Surfacing Division** : Manufacture, supply, and laying of bituminous materials and related civil works.
- Eastern Ready Mix Concrete Division** : Manufacture and supply of ready-mixed concrete.
- Eastern Precast Concrete Division** : Design, manufacture, and erection/installation of hollow-core slabs and precast concrete units. And all its support activities, or a combination thereof.

We are committed to providing quality products to all our customers and to satisfying applicable requirements or fulfilling our compliance obligations related to quality, health, safety, and the environment.

We are committed to protecting the environment, including preventing pollution.

EAMCO Health and Safety Policy confirms the company is committed to providing safe and healthy conditions to prevent work-related injury and ill health among employees and other interested parties within our control, eliminate workplace hazards, and reduce occupational health and safety risks to achieve EAMCO's objective of zero LTI accidents across the divisions

We are committed to the consultation and participation of workers and their representatives regarding Occupational Health and Safety Management System-related requirements, as applicable.

This IMS policy aligns with the organization's determined Quality, Health and Safety & Environmental context and supports its strategic directions, while considering the QHSE risks associated with our activities, products, and services.

This policy serves as a framework for setting our QHSE objectives and will be reviewed periodically for its adequacy during management review meeting as part of the agenda.

This policy shall be made available to relevant interested parties as appropriate.
